# LHCOPN/LHCONE: first experiences in using them in RRC-KI

*Wednesday, 2 July 2014 13:00 (20 minutes)*

We will share our experience with LHCOPN and LHCONE networks, describe main characteristics of these networks, including their topology, operational practices and types of use, and will provide an overview of our experience for using these WLCG-dedicated network resources in RRC-KI Tier-1 and Tier-2 Grid centres.

**Primary author:** Dr RYABINKIN, Eygene (NRC Kurchatov Institute)

**Presenter:** Dr RYABINKIN, Eygene (NRC Kurchatov Institute)

**Session Classification:** Plenary

**Track Classification:** Section 1 - Technologies, architectures, models, methods and experiences of building distributed computing systems. Consolidation and integration of distributed resources
