Contribution ID: **12** Type: **not specified**

Study of the process $e + e - \longrightarrow K_s K_l$ in the energy range above 1.0 GeV with the CMD-3 detector

Sunday, 14 July 2019 18:50 (20 minutes)

Primary author: Mr PETROV, Nikita (Budker Institute of Nuclear Physics)

Co-author: Dr LUKIN, Peter (Budker Insitute of Nuclear Physics and Novosibirsk State University)

Presenter: Mr PETROV, Nikita (Budker Institute of Nuclear Physics)

Session Classification: Student talks
