Polarised beams at NICA (09:30 - 13:00)

-Conveners: Roumen Tsenov

time	[id] title	presenter
09:30	[24] Polarised beams at the NICA collider	Prof. KOVALENKO, Alexander
10:00	[44] Spin transparent NICA acceleration chain	Dr FILATOV, Iurii
10:30	[19] Acceleration of polarized protons in the Nuclotron	Prof. SHATUNOV, Yuri
11:00	Coffee break	
11:30	[47] The SPI source of polarized ions for the NUCLOTRON	Dr FIMUSHKIN, Victor
12:00	[45] The absolute polarimeter APol for the NICA collider	KULIKOV, Mikhail
12:30	[46] Status of the New Low Energy Polarimeter at the Nuclotron	KUZYAKIN, Roman
