

**Jury's recommendation on the award of
the Bruno Pontecorvo Prize
for 2019**

**127th session of the JINR Scientific Council
20-21 February 2020**

The Bruno Pontecorvo Prize is awarded by the Joint Institute for Nuclear Research annually.

The prize was established in 1995 to commemorate Prof. Bruno Pontecorvo a pioneering neutrino physicist who worked for many decades at JINR

**The International Jury
for Bruno Pontecorvo prize award is
composed of the following members:**

- | | |
|-----------------------------|-------------------------|
| Samoil Bilenky | - JINR |
| Luciano Maiani | - Italy |
| Arthur McDonald | - Canada |
| Alexander Olshevskiy | - JINR, Chairman |
| Yoichiro Suzuki | - Japan |

**The Jury has resolved to award
the Bruno Pontecorvo Prize
for 2019 to:**

Professor **GIANOTTI Fabiola** (CERN)

**For the leading contribution to the
experimental studies of fundamental
interactions and discovery of the Higgs
boson**

**I am asking the Scientific Council
to approve this recommendation**
