

Contribution ID: 18

Type: not specified

Measurement of thermal photons and neutral mesons by registration of conversion $e + e^-$ pairs in the MPD experimental setup at the NICA collider.

Thursday, 22 October 2020 09:50 (25 minutes)

RFBR grant 18-02-40045

Presenter: KRYSHEN, Evgeny (NRC "Kurchatov Institute", Petersburg Nuclear Physics Institute)

Session Classification: Calorimetry and electromagnetic probes
