

Contribution ID: 41

Type: **not specified**

Detection methods and data analysis for silicon pixel vertex detectors for the experimental set-ups of the NICA complex

Friday, 23 October 2020 11:55 (25 minutes)

RFBR grant 18-02-40075

Presenter: ZHEREBCHEVSKY, Vladimir (Saint-Petersburg State University)

Session Classification: Development of detectors and detection methods for NICA experiments
