

Contribution ID: 42

Type: **not specified**

Development of data concentration method and its implementation in radiation-hard CMOS application specific integrated circuit

Friday, 23 October 2020 12:20 (25 minutes)

RFBR grant 18-02-40093

Presenter: EDUARD , Atkin (NRNU MEPhI)

Session Classification: Development of detectors and detection methods for NICA experiments
