

Contribution ID: 49

Type: **not specified**

Polarization of elementary particles in heavy ion collisions as a manifestation of anomalies in quantum field theory

Tuesday, 20 October 2020 16:30 (25 minutes)

RFBR grant 18-02-40056

Presenter: ZAKHAROV, Valentin

Session Classification: Theoretical studies of the dense baryonic matter produced in heavy-ion collisions at NICA
