

Contribution ID: 57

Type: **not specified**

**Investigation of initial states and development of methods for their analysis in proton and nuclear collisions at energies of the NICA collider.**

*Wednesday, 21 October 2020 11:10 (25 minutes)*

RFBR grant 18-02-40097

**Presenter:** FEOFLOV, Grigory (Saint-Petersburg State University)

**Session Classification:** Global characteristics of heavy-ion collisions at NICA
