

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 91

Type: **not specified**

Theoretical basis of stochastic optics of charged particles beams

Tuesday 5 September 2017 09:50 (20 minutes)

Presenter: KURAKIN, V. (LPI RAS, Russia)

Session Classification: Session 6. Beam dynamics, cooling methods and new methods of particle acceleration
