

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 83

Type: **not specified**

Polarized proton beam acceleration at the Nuclotron

Monday, 4 September 2017 15:20 (30 minutes)

Presenter: SHATUNOV, Yu. (BINP SB RAS, Russia)

Session Classification: Session 4. Beam dynamics, cooling methods and new methods of particle acceleration
