

12th International Scientific Workshop in Memory of Professor V.P.
Sarantsev
”Problems of Colliders and Charged Particle Accelerators”

Contribution ID: 87

Type: **not specified**

NICA: requirements from beam vacuum

Monday, 4 September 2017 17:30 (30 minutes)

Presenter: PHILIPPOV, A.V. (JINR, Russia)

Session Classification: Session 5. Beam dynamics, cooling methods and new methods of particle acceleration
