

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev  
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 85

Type: **not specified**

## **Fringe fields influence in quadrupole lenses on the dynamics of particles in NICA**

*Monday, 4 September 2017 16:40 (20 minutes)*

**Presenter:** ZENKEVICH, P.R. (ITEP, Russia)

**Session Classification:** Session 5. Beam dynamics, cooling methods and new methods of particle acceleration
