

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev  
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 104

Type: not specified

## Comparison of the characteristics of the Nuclotron and Booster NICA magnets

*Wednesday, 6 September 2017 09:00 (20 minutes)*

**Presenter:** DONYAGIN, A.M. (JINR, Russia)

**Session Classification:** Session 11. Elements and systems of the charged particles accelerators
