

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev  
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 108

Type: **not specified**

## **Power supply of rectangular voltage pulses based on SOS-diode for powering kickers IR VEPP-5**

*Wednesday 6 September 2017 10:40 (20 minutes)*

**Presenter:** VASILIEV, S. (BINP SB RAS, Russia)

**Session Classification:** Session 12. Elements and systems of the charged particles accelerators
