

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 109

Type: not specified

**Research of new generation of thyratrons with
switched medium power up to 0.5 mW experience in
electrophysical equipment**

Wednesday 6 September 2017 11:00 (20 minutes)

Presenter: BOCHKOV, V. (Pulsed Technologies Ltd., Russia)

Session Classification: Session 12. Elements and systems of the charged particles accelerators
