

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 95

Type: **not specified**

Analysis of the dynamics of the envelope of a charged particle beam in the Charlton trap

Tuesday, 5 September 2017 11:40 (20 minutes)

Presenter: OVSYANNIKOV, A.D. (SPBU, Russia)

Session Classification: Session 7. Beam dynamics, cooling methods and new methods of particle acceleration
