

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 107

Type: **not specified**

Source of polarized ions for the JINR accelerator complex

Wednesday, 6 September 2017 10:20 (20 minutes)

Presenter: KUZYAKIN, R. (JINR, Russia)

Session Classification: Session 12. Elements and systems of the charged particles accelerators
