

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: 89

Type: **not specified**

Investigation of electron cooling in NICA Booster

Tuesday 5 September 2017 09:00 (30 minutes)

Presenter: BRYZGUNOV, M. (BINP SB RAS, Russia)

Session Classification: Session 6. Beam dynamics, cooling methods and new methods of particle acceleration
