

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev
"Problems of Colliders and Charged Particle Accelerators"

Contribution ID: **103**

Type: **not specified**

Booster NICA magnetic field correction

Wednesday, 6 September 2017 08:30 (30 minutes)

Presenter: TUZIKOV, A.V. (JINR, Russia)

Session Classification: Session 11. Elements and systems of the charged particles accelerators
