

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev

"Problems of Colliders and Charged Particle Accelerators"

Thursday, 7 September 2017

Session 13. Control and diagnostic systems (08:30 - 09:20)

-Conveners: O.I. Meshkov

time	[id] title	presenter
08:30	[110] BPM system for transport channel Booster-Nuclotron at NICA Complex	BEKHTENEV, E.
08:50	[111] Optical diagnostics for accelerator science and plasma physics: commonality and differences	MESHKOV, O.I.
