

12th International Scientific Workshop in Memory of Professor V.P. Sarantsev

"Problems of Colliders and Charged Particle Accelerators"

Tuesday, 5 September 2017

Session 8. Cyclotrons and linear accelerators of intermediate and low energies (12:00 - 13:00)

-Conveners: P.R. Zenkevich

time	[id] title	presenter
12:00	[96] Commissioning of Heavy Ion Linear Accelerator (HILAC)	LEVTEROV, K.
12:20	[97] Nuclotron injection complex and the results of 52-54 runs	MARTYNOV, A.
12:40	[98] Current status of work on a new superconducting linear accelerator for the Nuclotron-NICA complex	POLOZOV, S.M.
