

## Session Program

3-8 Sept 2017

# **12th International Scientific Workshop in Memory of Professor V.P. Sarantsev "Problems of Colliders and Charged Particle Accelerators"**

## ***Session 10. Elements and systems of the charged particles accelerators***

Alushta, Crimea, Russia  
Professor's Corner, 20 Naberejnaya Str., Alushta, Crimea, Russia, 298500

## Tuesday 5 September

15:10

### Session 10. Elements and systems of the charged particles accelerators

**Session** | **Location:** Alushta, Crimea, Russia, Professor's Corner, 20 Naberejnaya Str., Alushta, Crimea, Russia, 298500 | **Convener:** B.N. Gikal

15:10–15:30 **Vacuum system of the NICA complex**

**Speaker**

A.V. Smirnov

15:30–16:00 **Vacuum equipment and new technologies in the vacuum area for particle accelerators**

**Speaker**

V. Feofanov

16:00
