

Helmholtz International Summer School "Hadron Structure, Hadronic Matter, and Lattice QCD"

Contribution ID: 51

Type: not specified

Lattice study of continuity and finite-temperature transition in two-dimensional $SU(N) \times SU(N)$ Principal Chiral Model

Friday, 25 August 2017 14:00 (20 minutes)

Presenter: VALGUSHEV, Semen (Regensburg University)

Session Classification: Students' presentations
