

# New Trends in Nuclear Physics Detectors (NTNPD-2021)

## Monday, 25 October 2021

### Session 2 (13:35 - 15:05)

| time  | [id] title  | presenter          |
|-------|---|--------------------|
| 13:35 | [12] R&D programme on active-target TPCs at the University of Warsaw                                  | Dr CWIOK, Mikolaj  |
| 14:05 | [13] Toward event reconstruction in an active-target TPC with strip readout                           | Mr FILA, Mateusz   |
| 14:25 | [11] Studies of gamma-ray and neutron induced reactions with an active-target Time Projection Chamber | Prof. JANAS, Zenon |
| 14:45 | [7] Optical TPC track reconstruction - behind the scenes  | Mr KUBIELA, Adam   |
