

# International Workshop on Nuclear and Particles Physics

## Monday, 25 April 2022

### Session IV (16:30 - 18:10)

-Conveners: Leonid Kaptari

time	[id] title	presenter
16:30	[18] Nonleptonic decays of baryons in covariant confined quark model	TYULEMISOV, Zhomart
17:00	[20] The study of ZH, $H \rightarrow bb$ production using different event generators	MANASHOVA, Munira
