

# International Workshop on Nuclear and Particles Physics

## Tuesday, 26 April 2022

### Session VI (11:30 - 13:00)

-Conveners: Andrej Arbuzov

| time  | [id] title   | presenter        |
|-------|--|------------------|
| 11:30 | [24] Magnetic Dynamo as Spontaneous Symmetry Breaking        | HNATIC           |
| 12:00 | [25] Four-loop critical properties of polymerized membranes  | PIKELNER, Andrey |
| 12:30 | [26] Hypergeometric approach in Feynman integral calculation | BYTEV, Vladimir  |
