International Workshop on Nuclear and Particles Physics

Wednesday, 27 April 2022

Session XIX (11:30 - 13:00)

   -Conveners: Alexey Severyukhin

time	[id] title	presenter
11:30	[33] A Maple implementation of KANTBP code for solving problems in coupled channel method	GUSEV, Alexander
12:00	[34] Updates of KANTBP code and their applications for solving problems in atomic, molecular and nuclear physics	CHULUUNBAATAR, Ochbadrakh
12:30	[35] Coupled channel method for heavy ion fusion reactions	VINITSKY, Sergue
