

International Workshop on Nuclear and Particles Physics

Wednesday, 27 April 2022

Session XXI (16:30 - 18:30)

-Conveners: Timur Shneidman

time	[id] title	presenter
16:30	[39] Method for calculating the interaction of non-spherical nuclei	Dr KRASSOVITSKIY, Pavel
17:00	[40] Theoretical models of weakly-bound light nuclei for describing data of bound and scattering states	URAZBEKOV, Bakytzhan
17:30	[41] Even-even and even-odd nuclei decay within DNS approach	ROGOV, Ivan
