## International Conference on Quantum Field Theory, High-Energy Physics, and Cosmology

Contribution ID: 107 Type: not specified

## Hadron interaction at large distances and new peculiarities of the differential cross sections at LHC energies.

Tuesday 19 July 2022 15:00 (30 minutes)

**Presenter:** SELYUGIN, Oleg (BLTPh, JINR)

Session Classification: Collider Physics and 3D Hadron Structure
