

## Summer Session 2022

*Participation in the Programme presupposes working on an advanced-level research project under the supervision of a JINR expert. Selected students are invited to Dubna for 6-8 weeks within the mentioned interval. At the end of their stay, they prepare a written report on the work they have done, which is posted on the Programme website.*

### Participation requirements:

- students from all over the world;
- specialising in science, engineering, and IT;
- starting from their 3rd year of undergraduate studies up to the 1st year of PhD;
- without previous experience of participation in the START programme (JINR Summer Student Programme).

### Financial terms:

- tickets from your home/university city to Dubna and back are purchased by the Student and later on reimbursed by JINR (upon submission of all required documents).
- visa and health insurance expenses are later on reimbursed by JINR (upon submission of all required documents).
- accommodation is booked and paid by JINR.
- daily allowance of 1000 roubles per day is paid from the funds of the JINR laboratory accepting the Student.

### How to apply:

- Before applying, make sure that the following two main requirements are met and confirmed by the relevant documents:
  - The field of your studies corresponds to one of the JINR [scientific fields \(/?scientific\\_fields=view\)](#).
  - You are a 3rd- or 4th-year undergraduate student, a Master student, or a 1st-year postgraduate student.
- Register on the website by clicking the REGISTER button and filling in the registration form, attaching all the required documents, and ticking 1-3 of the available scientific fields corresponding to your sphere of studies.
- Wait for your form to be approved by the Team. Afterwards, you will receive an email with a login and password to be able to log in as a Student to apply for a Session.
- Select a Session you like to participate in and press APPLY.

- Wait for the selection results. The final selection date is indicated on the Session webpage. Please check your mailbox regularly.
