

Welcome to AYSS-2022

Diana Seitova & Liudmila Kolupaeva
for the Organizing committee

XXVI International Scientific Conference of Young Scientists and Specialists (AYSS-2022)

- ❑ October 24 - 28;
- ❑ Starts every day 10 am Moscow time zone;
- ❑ 10 plenary sessions in total with state-of-art reviews in the mornings (2 each day);
- ❑ Parallel sessions with young scientists presentations after the lunch + 2 poster sessions.

Topics:

- ❖ Theoretical Physics
- ❖ Mathematical Modeling and Computational Physics
- ❖ High Energy Physics
- ❖ Particle Accelerators and Nuclear Reactors
- ❖ Experimental Nuclear Physics
- ❖ Applied Research
- ❖ Information Technology
- ❖ Condensed Matter Physics
- ❖ Life Science

Social events in timetable

❖ Today: In-person poster session & welcome drinks

Scientist's Club (Joliot-Curie st, 6, left wing) starting at 6 pm

❖ Thursday: Conference dinner

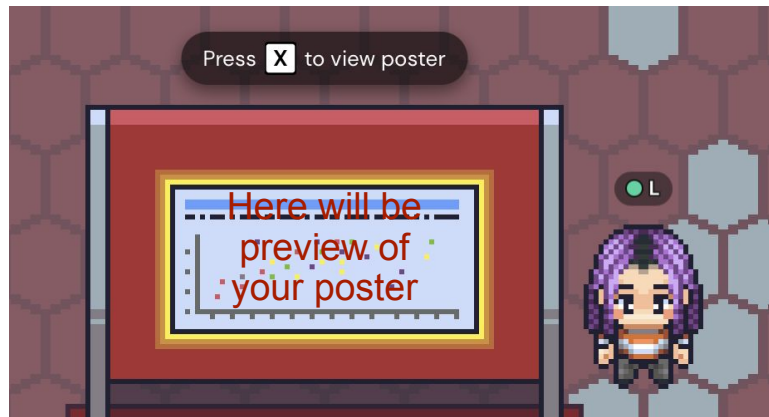

Restaurant at Hotel Dubna (Veksler st, 8) starting at 7 pm

❖ Friday:

- Excursions (additional info will be provided later), starting at 2 pm
- Online poster session, starting at 2 pm

Useful info for remote participants

- ❖ The Webinar platform is used for plenary and parallel sessions. Links are attached to the timetable. See general instructions [here](#)
- ❖ We're trying to organize online excursions to the JINR facilities for remote participants. Additional info will be provided soon.
- ❖ Online poster session on Friday will be in Gather Town.
 - A1 format, portrait orientation;
 - Please, send your posters until Thursday!

Useful info for in-person participants

- ❖ Maps of the DLNP site with all main objects (canteen, entrance, buildings etc): [eng](#), [rus](#)
- ❖ City map near Institute site (Scientist's Club location for today poster session, Hotel Dubna, MSU dorm) [eng](#)
- ❖ NB: taking photo and video on JINR site is prohibited!
- ❖ There are breakfasts in the DLNP canteen starting 9 am; MLIT caffe starts work at 9:30 am.
- ❖ Please, don't hesitate to ask any questions.
- ❖ Telegram channel with support: <https://t.me/+VH3Q7IbH2jA5MGMy>

**The organizers wish all of you an
instructive and fruitful conference!**

Tribute to the memory of Valery Rubakov (16.02.1955 – 19.10.2022)

- ❖ Brilliant russian physicist, one of the world's leading experts in quantum field theory, elementary particle physics, and cosmology.
- ❖ Many times lecturer on AYSS conferences.

We share deep sorrow of his untimely loss.

**The organizers wish all of you an
instructive and fruitful conference!**
