

56th meeting of the PAC for Nuclear Physics

Thursday 26 January 2023

4. Draft Seven-Year Plan for the Development of JINR in nuclear physics for 2024–2030:: 4. Draft Seven-Year Plan for the Development of JINR in nuclear physics for 2024–2030: - JINR, Dubna (11:50 - 16:00)

| time | [id] title | presenter |
|-------|---|---------------|
| 11:50 | [4] 4.1. FLNR main tasks: status and proposals for the Seven-Year Plan for the Development of JINR for 2024–2030 | SIDORCHUK, S. |
| 12:20 | [5] 4.2. FLNP main tasks: status and proposals for the Seven-Year Plan for the Development of JINR for 2024–2030 | SHVETSOV, V. |
| 13:00 | Lunch break | |
| 14:00 | [6] 4.3. Research in non-accelerator neutrino physics and astrophysics and proposals for the Seven-Year Plan for the Development of JINR for 2024–2030 | YAKUSHEV, E. |
| 14:30 | [7] 4.4. BLTP main tasks in the study of the theory of nuclear systems: status and proposals for the Seven-Year Plan for the Development of JINR for 2024–2030. Proposal for the extension of the theme "Theory of nuclear systems" | ANTONENKO, N. |
| 15:00 | [8] 4.5. Status and prospects of the MLIT scientific programme | KORENKOV, V. |
| 15:30 | [9] Discussion on the main directions of JINR development in the field of nuclear physics for 2024–2030 | |
