## **Bose-Einstein correlations of charged kaons in $p + p$ collisions measured with the STAR detector**

*Tuesday, 7 July 2015 14:40 (20 minutes)*

**Presenter:** Mr NIGMATKULOV, Grigory (National Research Nuclear University MEPhI (Moscow Engineering Physics Institute))

**Session Classification:** Freezeout, Hadronization and Statistical Model (F. Becattini, Florence / R. Stock, Frankfurt)
