

XXV International Baldin Seminar on High Energy Physics Problems
"Relativistic Nuclear Physics and Quantum Chromodynamics"

XXV International Baldin Seminar
on High Energy Physics Problems
Relativistic Nuclear Physics & Quantum Chromodynamics
September 18 - 23, 2023, Dubna, Russia

Contribution ID: 171

Type: **not specified**

On manifestation of conformal symmetry and of its violation in perturbative QCD expressions

Tuesday, 19 September 2023 09:30 (30 minutes)

Presenter: KATAEV, Andrei (Institute for Nuclear Research of RAS)

Session Classification: Plenary
