

XXV International Baldin Seminar on High Energy Physics Problems
"Relativistic Nuclear Physics and Quantum Chromodynamics"

XXV International Baldin Seminar
on High Energy Physics Problems
Relativistic Nuclear Physics & Quantum Chromodynamics
September 18 - 23, 2023, Dubna, Russia

Contribution ID: 178

Type: **not specified**

Two particle correlations in ion collisions

Thursday, 21 September 2023 15:30 (20 minutes)

Presenter: ROGACHEVSKY, Oleg (LHEP JINR)

Session Classification: Parallel: Relativistic heavy ion collisions
