

NGUYEN VAN TIEP

Curriculum Vitae

PERSONAL DETAILS

Birth 22.06.1986
Address Joint Institute for Nuclear Research
Joliot-Curie, 6 Dubna, Moscow region,
Russia, 141980.
Phone +7 925 753 9268
e-mail nvtiep@jinr.ru

EXPERIENCE

2011-2016 Teacher in physics, Hue city, Vietnam

2017-present

Engineer Sector of Ion-implantation nanotechnology and radiation
Junior materials science, Flerov Laboratory of Nuclear
Researcher Reactions, Joint Institute for Nuclear Research, JoliotCurie
6, Dubna, Moscow region, Russia, 141980.
Researcher Insitute of Physics, Vietnam Academy of Science and
Technology, Hanoi, Viet nam

Research field: Study of the effects of irradiation on structure and properties of materials for nuclear applications and others.

EDUCATION

Doctor of Philosophy, JINR, Dubna, Russia	2023
MSc. Physics of Semiconductor and Nanoeletronics <i>Belarus State University, Míinks, Belarus.</i>	2009-2010
BSc. Physics <i>Belarus State University, Minks, Belarus.</i>	2005-2009
