

58th meeting of the PAC for Nuclear Physics

Monday, 29 January 2024

9. Scientific reports:: 9. Scientific reports: - JINR, Dubna (14:50 - 15:30)

time	[id] title	presenter
14:50	[9] 9.1. "Verification of T-invariance in the total interaction cross section of neutrons with unpolarized nuclei using the polarization–asymmetry theorem"	SKOY, V.
15:10	[10] 9.2. "Study of the properties and applications of nanodiamond reflectors of low-energy neutrons"	NEZVANOV, A.
