

The XXII International Scientific Conference of Young Scientists and
Specialists (AYSS-2018)

Contribution ID: 539

Type: **not specified**

DFT-based study of the disordered solid electrolytes

Monday, 23 April 2018 15:45 (15 minutes)

Presenter: Dr EREMIN, Roman (Samara Center for Theoretical Materials Science, Samara University)

Session Classification: Oral session: Condensed Matter Physics
