

**The XXII International Scientific Conference of Young Scientists and  
Specialists (AYSS-2018)**

Contribution ID: **636**

Type: **not specified**

**The pairing-interaction impact on the beta-decay  
characteristics and multi-neutron emission of the  
neutron-rich  $^{126,128,130,132}\text{Cd}$**

*Thursday, 26 April 2018 16:15 (15 minutes)*

**Presenter:** Mr SUSHENOK, Evgenii (International University Dubna)

**Session Classification:** Oral session: Theoretical Physics
