

# International Conference «50 Years of Cold Fusion»

## Thursday 21 November 2024

### Chemistry of SHE (11:30 - 13:00)

time	[id] title	presenter
11:30	[97] Relativistic effects in the electronic structure of the superheavy elements	ILYA TUPITSYN
12:00	[98] Relativistic effects on properties of the elements at the end of the Periodic Table	VALERIA PERSHINA
12:30	[99] Highly-precise atomic calculations of heavy and superheavy elements: status and perspectives	EPHRAIM ELIAV
