

Session Program

25-27 Nov 2024

**Workshop on physics performance studies at NICA
(NICA-2024)**

Day 2 - Evening

Tuesday 26 November

12:20

Day 2 - Evening

Session | Location:

12:20–12:55 **Baryon stopping**

Speaker

Yuri Ivanov

12:55–13:30

Proton, Lambda and light (hyper)nuclei production in Au+Au collisions at 3 GeV. Bulk properties and directed flow.

Speaker

Marina Kozhevnikova

13:30
