11-15 August
Dubna, Russia

AQFT-2025

International Conference
Advances in Quantum Field Theory 2025

Quantum theory of gauge fields
Supersymmetric field theory
QFT in curved spacetime
Quantum gravity
Higher spin field theory
Nonperturbative methods in QFT
Multiloop calculations
String/brane theory and
AdS/CFT correspondence

Organising Committee

D. Kazakov (chairman)
R. Iakhibbaev (scientific secretary)
A. Bednyakov
I. Buchbinder
S. Fedoruk
D. Tolkachev

Programme Committee
