

**XXVIth International Baldin Seminar on High Energy Physics Problems
"Relativistic Nuclear Physics and Quantum Chromodynamics"**

Contribution ID: 159

Type: **not specified**

Charmonium and bottomonium electromagnetic characteristics in relativistic quark model

Thursday 18 September 2025 11:00 (20 minutes)

Presenter: Dr HAURYSH, Vadzim (Sukhoi State Technical University of Gomel)

Session Classification: Hadron spectroscopy, multiquarks
