

JINR PRIZES for 2024

For theoretical research papers

First Prize

“Theoretical advances in the structural characterization of complex systems: fractals, hierarchical and multiphase materials”.

Author: E. M. Anitas.

JINR PRIZES for 2024

For experimental research papers

First Prize

“ ^7He structure from the deuteron stripping reaction”.

Authors: A. Bezbakh, R. Wolski, M. Golovkov, A. Gorshkov,
A. Denikin, S. Krupko.

JINR PRIZES for 2024

For methodology, research and technology papers

First Prize

“Development of the BM@N spectrometer at the NICA accelerator complex”.

Authors: S. Bazylev, M. Kapishin, S. Khabarov, E. Kulish, A. Makankin, S. Piyadin, M. Rummyantsev, S. Sedykh, V. Yurevich, N. Zamyatin.

JINR PRIZES for 2024

For applied research and technology papers

First Prize

“Deep learning methods for various problems in agriculture”.

Authors: A. Uzhinskiy, G. Ososkov, A. Nechaevskiy.
