Session Program

15–19 Jun 2026

International Conference on Condensed Matter Research at the IBR-2 devoted to the 90th anniversary of Yury M. Ostanevich

Soft matter 1st session

Tuesday 16 June

09:30

Soft matter 1st session: - Chairman: O. Ivankov

Session | **Location:** 20 Joliot-Curie St., MLIT, Dubna, Moscow Region, Russia, 141980

09:30–10:00 **Morphological performance of self-assembled complex networks**

Speaker
Vyacheslav Molchanov

10:00–10:20

Structural transitions of hybrid micelles of ionic surfactant with embedded hydrophobic polymer induced by salt and hydrocarbon

Speaker
Alexander Kwiatkowski

10:20–10:40

Colloidal system formed by oppositely charged polymer nanoparticles with varying stiffness

Speaker
Sofia Morozova

10:40
