Session Program

15–19 Jun 2026

International Conference on Condensed Matter Research at the IBR-2 devoted to the 90th anniversary of Yury M. Ostanevich

Opening day 2nd Session

Monday 15 June

15:00

Opening day 2nd Session: - Chairman: A. V. Rogachev

Session | **Location:** 20 Joliot-Curie St., MLIT, Dubna, Moscow Region, Russia, 141980

15:00–15:30 **Towards Neutron crystallography of Microbial Rhodopsins**

Speaker
Valentin Borshchevskiy

15:30–16:00 **Complementarity of Cryogenic Electron Microscopy to study biological soft matter**

Speaker
Albert Guskov

16:00–16:30 **Kitaev and Ising cobalt-based magnets: insights from neutron scattering**

Speaker
Pavel Maksimov

16:30
