

International workshop "NICA accelerating complex: problems and solutions — 2018"

Thursday, 13 September 2018

Particles dynamics in accelerators of the NICA complex and transport channels: Nuclotron - Hotel "Selena" Conference hall (10:00 - 10:30)

-Conveners: Vladimir Mikhaylov

time	[id] title	presenter
10:00	[0] Particle dynamics simulation in Nuclotron of the NICA complex accounting influence of the scattered magnetic field	AVVAKUMOVA, Irina
