

International workshop "NICA accelerating complex: problems and solutions — 2018"

Thursday, 13 September 2018

Particles dynamics in accelerators of the NICA complex and transport channels: Collider (Continued) - Hotel "Selena"

Conference hall (11:00 - 11:30)

-Conveners: Sergey Kostromin

time	[id] title	presenter
11:00	[25] Alignment tolerances and magnetic field errors of lattice elements of the Collider NICA	PHILIPPOV, Alexandr
