

# International Conference Condensed Matter Research at the IBR-2 Dubna, Moscow region, Russia

October  
11 - 15, 2015

## TOPICS

- Functional and nanostructured materials;
- Magnetic colloid systems;
- Layered magnetic nanostructures;
- Carbon nanostructures;
- Materials under extreme conditions;
- Soft condensed matter (biological nanosystems, lipid membranes, polymers);

- Lattice and molecular dynamics of materials;
- Texture and properties of rocks and minerals;
- Residual stresses in materials and products;
- Neutron imaging;
- Development of IBR-2 instruments;
- Development of neutron scattering techniques;
- Development of neutron detectors.

## COMMITTEE

### ORGANIZING COMMITTEE

Prof. D.P. Kozlenko – Chairman  
Dr. M.V. Avdeev  
Dr. G.D. Bokuchava  
Dr. D.M. Chudoba  
Mrs. T.S. Donskova – Secretary  
Mrs. Yu.E. Gorshkova – Scientific Secretary  
Mr. S.V. Kozenkov  
Dr. B.N. Savenko

### PROGRAMME COMMITTEE

Prof. V.L. Aksenov (Russia)  
Prof. P.A. Alekseev (Russia)  
Prof. A.M. Balagurov (Russia)  
Prof. P. Balgavý (Slovak Republic)  
Prof. A.V. Belushkin (Russia)  
Prof. E. Burzo (Romania)  
Prof. H. Fuess (Germany)  
Prof. V.G. Kantser (Moldova)  
Prof. D. Nagy (Hungary)  
Prof. W. Nawrocik (Poland)  
Prof. V.A. Somenkov (Russia)

## DEADLINES

- |   |            |
|---|------------|
| • First announcement:                           | 15.04.2015 |
| • On-line registration and abstract submission: | 30.06.2015 |
| • Visa support:                                 | 30.06.2015 |
| • Programme:                                    | 20.09.2015 |
| • Arrival:                                      | 11.10.2015 |
| • Departure:                                    | 15.10.2015 |
